Church Surf

What is it?

At CU we want to know Jesus and make him known! We're a space for ALL students to ask the question "Who is Jesus?" and decide for themselves.

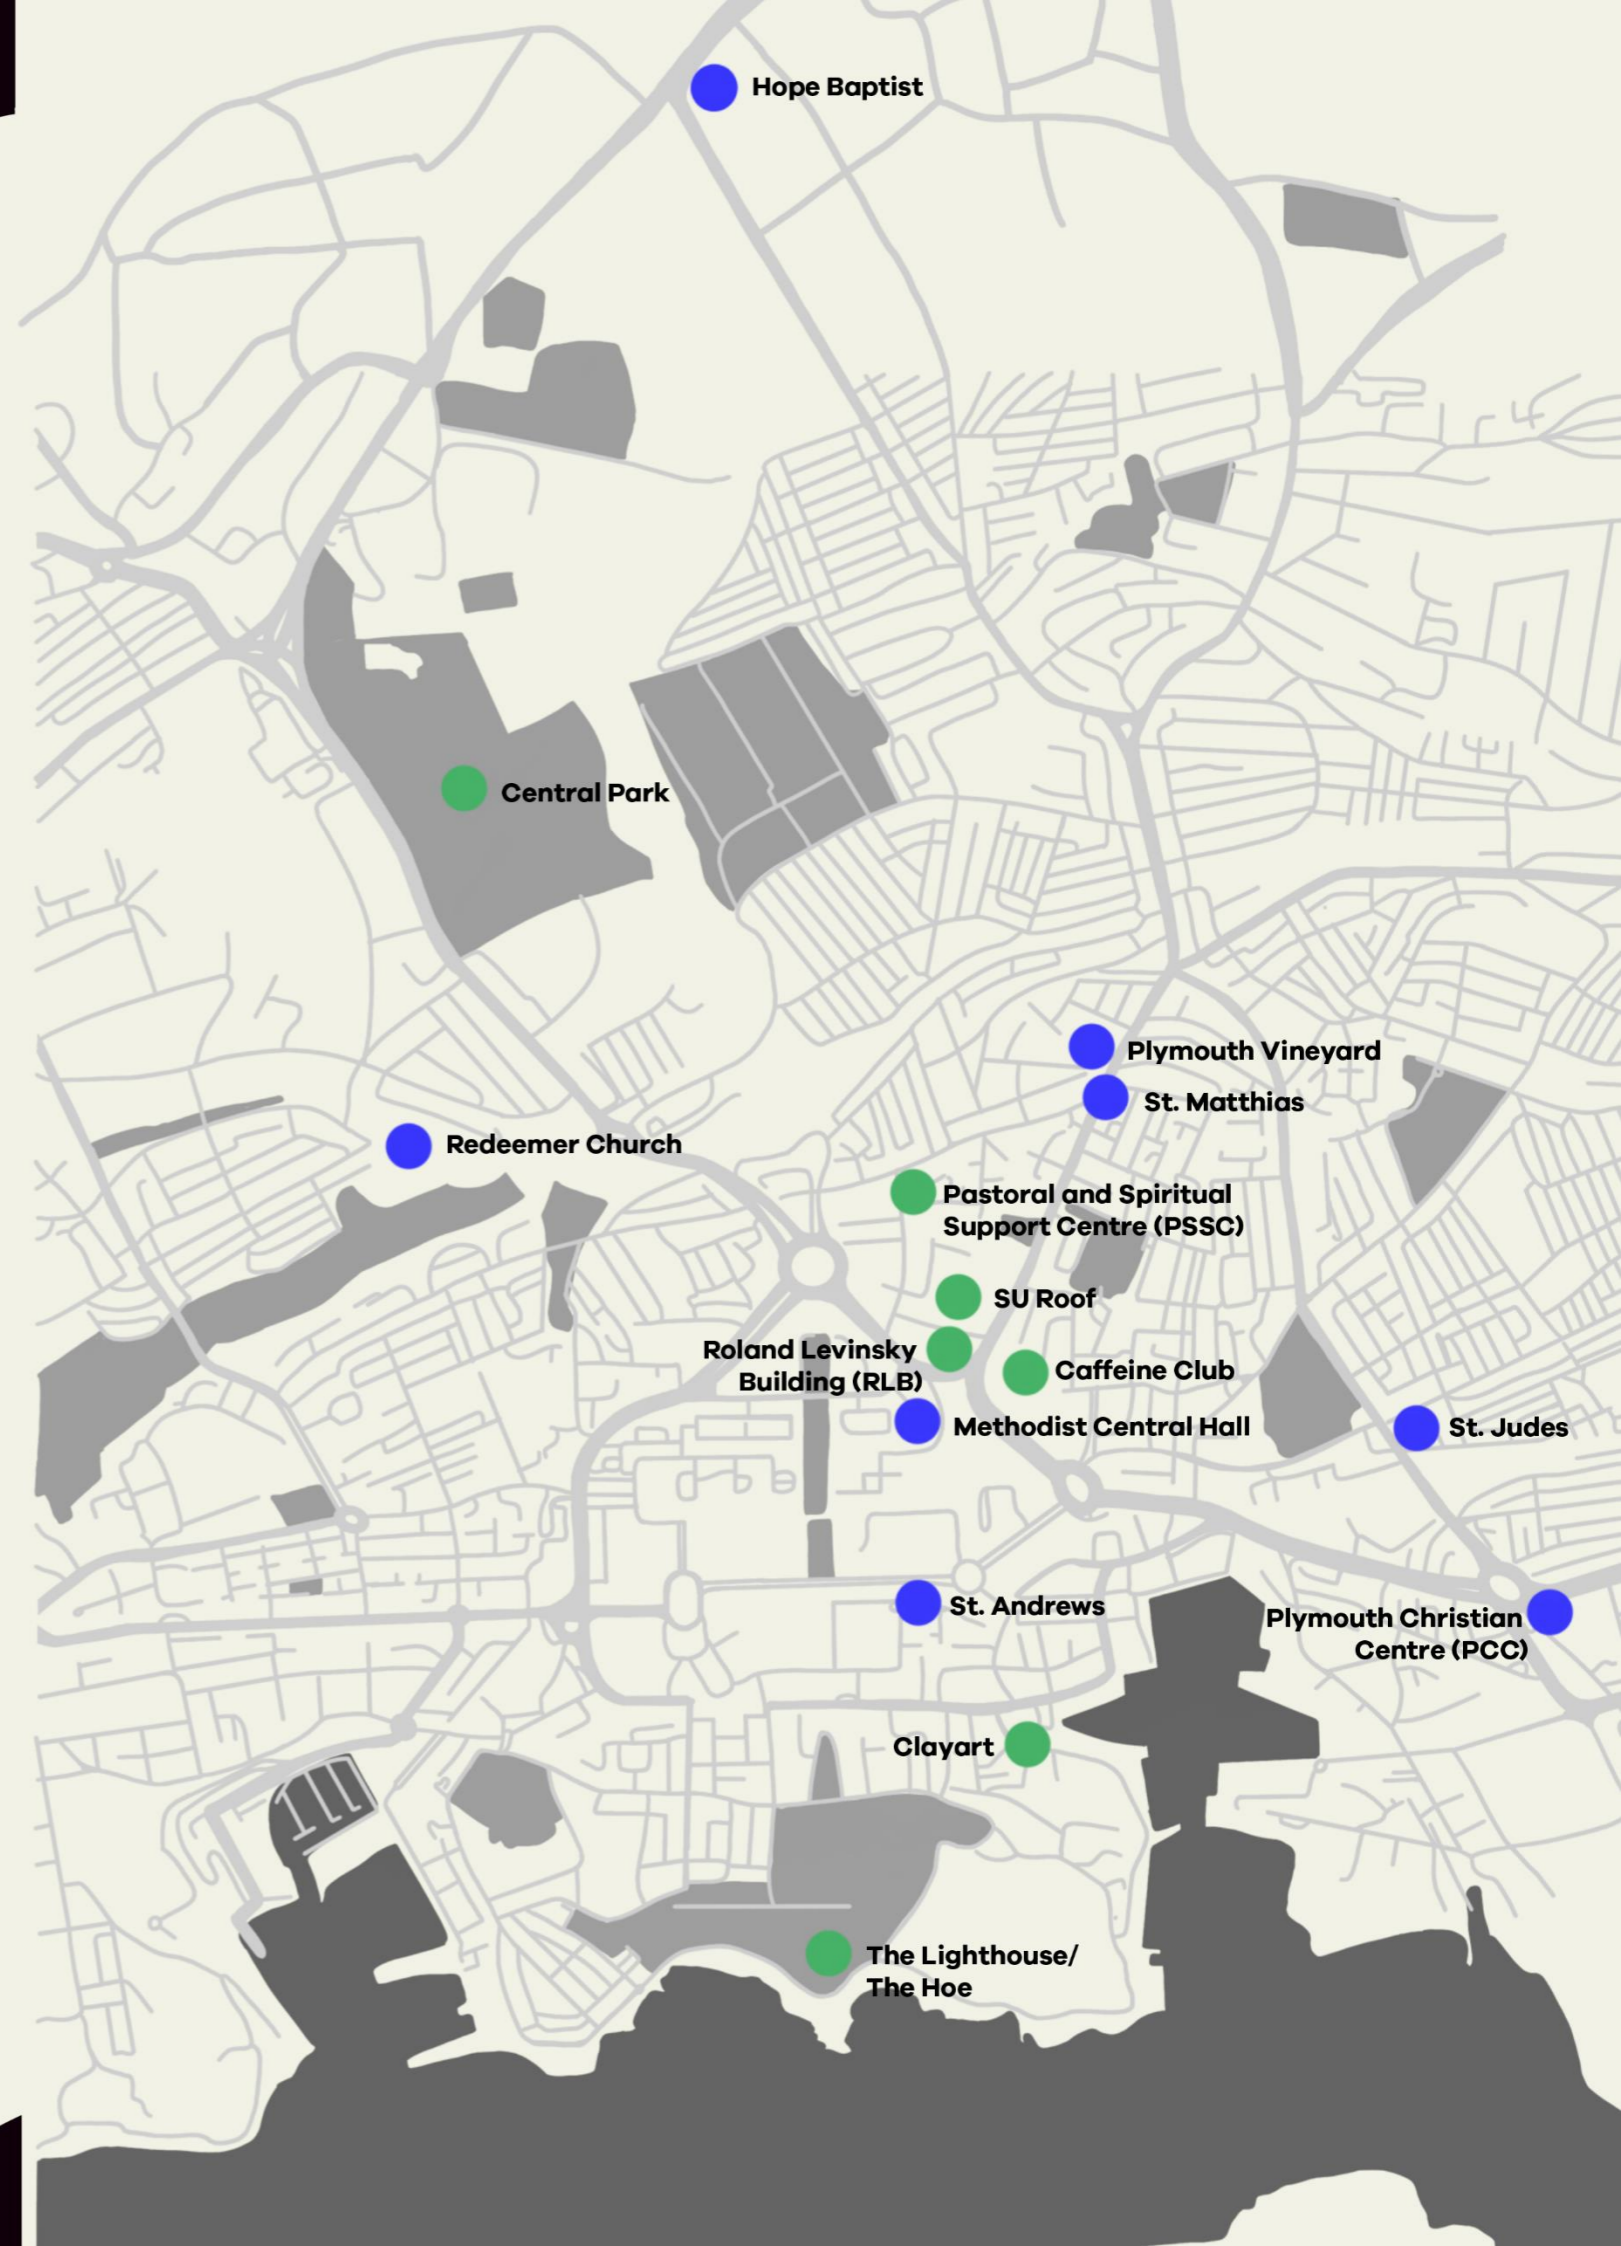

However, we are NOT a replacement for church! But we'd love to help you find a church family here in Plymouth. ;-)

Join us on the Church Surf to try out different Plymouth churches with other Freshers (and probably get some free food along the way). ;-)

Can't wait to CU there!

Meet on SU Roof to walk together :-)
